<p>Short description and Scope of the instrument - Technologies and/or applications areas and/or policies objectives targeted?</p>	<p>With Vinnovate, the province of North Brabant supports interregional innovation projects that align with our 2030 Economic Agenda and drive forward our mission to achieve, among others, a sustainable food system, a future-proof industry, key enabling technologies, healthy living, and smart mobility. At the heart of our approach are the transitions—toward a sustainable, resilient and a digital economy. Vinnovate enables companies (focusing on SMEs) and knowledge institutions to work across borders on tangible solutions that accelerate these transitions and strengthen the competitiveness of our regional economy.</p> <p>While North Brabant’s involvement is concentrated around specific themes, Vinnovate is open to all topics under the Vanguard umbrella. This ensures that a wide range of innovative projects—spanning advanced manufacturing, energy, health, digitalisation, and more—can access support.</p>
